Turn log lifting into a lightweight exercise.

**ATLAS POLAR STOP LOG LIFTER
DOES IT QUICKLY & SAFELY**

**Think about this... engaging
and removing logs from the
sluiceway, stacking logs,
retrieving and replacing logs,
all with a single operator.**

**That's exactly what the
Atlas Polar Stop Log Lifter
was designed to do. It's a
year-round better way
to get the job done right.**
