

## ATLAS POLAR CAREERS

# ELECTRONICS TECHNICIAN

### Benefits – Why join our Atlas Polar family?

As an employee of Atlas Polar, you'll work independently within an inclusive professional environment that rewards innovation, supports its staff and prides itself on safety. A family business for over 85 years, Atlas Polar is Canada's #1 truck-mounted sales and service network. We distribute the world's #1 truck-mounted and manufacture North America's leading waterways debris cleaning equipment brands.

- Job security
- Competitive salary
- Comprehensive benefits package for full-time employees
  - Prescription, dental and paramedical coverage
  - Sick days benefits
  - Paid vacation available in year one
  - Company pension plan
- Respect and appreciation of our employees
- Opportunities for training and development
- Employee appreciation activities

### Your role – Duties + Responsibilities

- Assemble, install, maintain and repair control systems
- Inspect and test electrical equipment components and assemblies
- Diagnose and locate equipment faults
- Adjust, align, replace or repair electronic equipment, assemblies and components to align with schematic drawings
- Wire trucks
- Complete work orders, and testing and maintenance reports

### Qualifications – What makes you the right fit?

You are a problem-solver with an eye for detail and great communication skills, and you work well independently.

- Technician Certificate or Diploma
- Proven ability to operate electronic test equipment and solder surface-mount components
- Solid knowledge of RF Circuits
- Must be able to lift 40 lbs easily
