

It's easy to get comfortable with Moffett Cover_NGo™

Your Moffett is mounted to the truck. You're ready to go. The last thing an operator needs to do is waste time cleaning, drying or shovelling snow and ice from the forklift seat, trying to install or remove a slip-on seat cover, or worse, leaving the cover behind or losing it during travel.

Problems solved. Cool in summer, warm in winter and clean and dry in all seasons, the durable Moffett *Cover_NGo™* Retractable Seat Cover makes it easy to get comfortable in seconds and saves money by providing added long-term protection for the seat and *Seat Presence™* belt system.

LONG-LIFE PROTECTION OF SEAT AND SEAT PRESENCE™ BELT AND MECHANISM

OPENS AND CLOSES EASILY IN SECONDS

Features

- Protects seat and *Seat Presence™* belt system
- Single-handed operation opens and closes in seconds
- Flexible, durable, ice and water-resistant cover
- Securely attaches to the seat belt bracket
- Enhanced corrosion protection with powder-coated brackets + stainless steel hardware
